PROFESSIONAL SUMMARY

Game Production student specializing in game design, narrative development, and QA. Contributed to RPG and board game projects through quest writing, character design, and gameplay systems. Industry experience at Kalypso Media strengthened my analytical mindset and focus on player experience.

CORE COMPETENCIES

- ✓ Game & Level Design
- ✓ Gameplay Systems & Mechanics
- ✓ Narrative Design & Story Structure
- ✓ Quest & Dialogue Writing
- ✓ Playtesting & Iterative Balancing
- ✓ Quality Assurance & Bug Reporting (Jira)
- ✓ Functional & Regression Testing
- ✓ Cross-Functional Collaboration

PROFESSIONAL EXPERIENCE

Kalypso Media

QA & Customer Support Intern | Sep 2024 - Feb 2025

- Evaluated gameplay balance, usability, and player experience during testing phases
- Identified, reproduced, and documented bugs using Jira
- Independently handled customer support inquiries and analyzed player feedback

Deus Draconis Interactive

Narrative Designer | Apr 2025 - Sep 2025

- Developed narrative, lore, and worldbuilding for the project Bonehearts
- Collaborated cross-functionally to align gameplay and story elements
- Reviewed and refined narrative content for consistency and quality

SELECTED GAME PROJECTS

Bonehearts

Fantasy RPG | Deus Draconis Interactive

- Developed story, lore, characters, quests, and dialogue; built and maintained the Narrative Bible
- Collaborated with Design and Art to align narrative, gameplay systems, and worldbuilding

Nexus

Award-Winning Educational Board Game (mb21, 2023)

- Co-developed game concept, board design, and card system
- Led documentation, manual creation, and production coordination

EDUCATION

2022 - Present | HNU University of Applied Sciences Neu-Ulm, Germany

Bachelor of Arts - Game Production & Management
